

Map title:  
**Oele and Ganzebos areas of interest**  
**Maximum cavern height in areas of interest**

Project title: Seismic survey and update geological model Oele and Ganzebos areas  
 Project number: M11B0186  
 Client: AkzoNobel  
 Date: December 8, 2011

**Legend**

- Developed areas
- Geowulf boreholes
- Seismic lines
- Borders disturbed zone (base Tertiary)
- Borders disturbed zone (Main Röt Evaporite)
- AkzoNobel concession area
- 60 m resources & reserves buffer

**Maximum cavern height (m)**
