

Possible maximum extent of the Upper Cambrian "Upper Alum Shale".  
Fields with pre-Devonian reservoir.

Ch 4  
Fig 4.18  
2009

- Possible maximum extent of the Alum shale Formation prior to erosion
- Present-day distribution of Cambrian
- Lower Paleozoic Outcrop
- Gasfield
- Oilfield
- Field with both oil and gas
- Caledonian Deformation Front
- Well
- Thickness of Alum Shale Formation (m),
